ACU Marches to a New Order

With the latest edition to the Exchange Online Store, busy troops can now assemble their uniforms with just a few clicks of the mouse.

The virtual exchange's new 'Uniform Ready-to-Wear' site makes it easy to complete uniform orders through one easy-to-use web page. The final product is shipped to the Soldier's door, ready to wear right out of the box with no assembly required.

Uniforms can be ordered along with add-on items such as boots, belts, t-shirts and socks. A local alterations contractor will even attach all nametapes, rank, insignia, badges and patches.

This is a great opportunity for active and reserve Soldiers in remote locations to purchase their ACUs. Assembling a complete uniform is now as simple as using a pull down menu.

Operational since July 24, the 'Uniform Ready-to-Wear' site may be accessed by logging on to www.aafes.com. From there, military service members need only to select Military Uniforms Ready-to-Wear to begin creating their custom uniform.
